Savour a life
in bloom

EVERLY PLACE

A serene sunset scene with tall grass in the foreground and a body of water in the background. The sun is low on the horizon, creating a warm, golden glow that reflects on the water. The grass is dark green and silhouetted against the bright light. The overall mood is peaceful and contemplative.

Connected,

Yet Serene

Living in Alignment

Since 2014, Ellington Properties has approached each residence with a clear focus on design and detail, creating homes that feel considered, balanced and quietly confident.

Within the distinguished setting of MBR City, Everly Place emerges as a refined mid-rise masterpiece, its elegant U-shaped form, embracing the lagoon and surrounding landscape. The architecture opens gracefully to light, greenery and water, softening the boundary between home and nature.

This is living aligned with nature, movement and intentional design.

A Lifestyle of Elegance

The architecture frames the lagoon in a sculptural gesture, drawing in light and views from every angle. Layered terraces, integrated greenery and a striking glass façade shape a bold yet refined presence on Dubai's skyline.

Rather than standing apart, it moves with its surroundings, creating a grounded way of living that feels aligned with both nature and modernity.

Architecture in Motion

This mid-rise structure is distinctively framed with vertical fins, introducing depth, sophistication and privacy. Floor-to-ceiling glazing invites natural light deep into each residence, while private balconies extend living outward toward the water.

Designed with a focus on light, space, and modern aesthetics, the building offers panoramic views and seamless indoor-outdoor living.

Expanded Living

The podium-level landscape is envisioned as a vibrant community sanctuary. Crisp stone pathways trace tranquil pools, lush greenery frames gathering spaces, and layered landscaping enhances both privacy and visual harmony.

Water becomes a living canvas, and light becomes part of the design.

A Prelude to Peace

Arrival unfolds through a sophisticated entry sequence into a grand lobby with curated lounge seating and communal workspaces.

A seamless transition between public and private, it sets the tone for a lifestyle defined by comfort and contemporary elegance.

Where Energy Meets Wellness

Practice
vitality

Energy and Balance

Overlooking the pool, the Fitness Studio is equipped with commercial-grade, eco-conscious equipment and zoned for cardio, strength, and full-body training.

Adjacent, a minimalist yoga studio offers a tranquil setting for mindfulness, enhanced by natural light and thoughtful materiality to enable movement and restoration.

Wellness Beyond the Workout

Designed as serene retreats, the changing rooms feature sauna facilities, steam showers with benches, chromotherapy lighting, elegant vanities, and refined locker areas.

We designed this as a transition space to turn wellness into a ritual.

*Where
Imagination Plays*

A sweets-inspired indoor play area creates a vibrant, sensory-rich environment for early development and joyful exploration. With a whimsical slide, ball pit, Montessori-aligned toys, child-scale furniture, and dedicated kids' facilities, the space blends fun with thoughtful design.

Harmonising Nature and Water

Treasuring the lagoon repose

An escape above the city

At the heart of the podium sits a 23-meter infinity-edge leisure pool overlooking the crystal lagoon. Wet loungers, shaded cabanas, sunken seating, and a dedicated kids' pool create an atmosphere of effortless relaxation.

Every detail is composed for refined leisure.

*Nature-led space
where connections
are made*

The outdoor landscape offers the expansive infinity-edge pool overlooking the promenade to give you the feeling of an enclosed, private escape. Lounge by the cabanas or enjoy family movie nights at the outdoor cinema. Weekends are for get-togethers at the BBQ and entertainment zones. For the little ones, a thoughtfully designed children's garden is composed of climbing, picnic and art zones.

Every element encourages active, social, and restorative living.

Sensibility in Structure

Bespoke contemporary cabinetry, honed engineered stone and a suite of premium European appliances redefine the culinary experience. The kitchen's open-plan design dissolves into the living space, centered by a sculptural countertop that serves as both a functional anchor and a focal point for shared moments.

Effortless Ease Elevated Comfort

Living spaces are defined by 3.1-meter ceiling heights and expansive windows that draw in light and lagoon views. Layered lighting enhances mood and function, while warm neutral tones create timeless versatility.

Designed for gathering, relaxing, and everyday comfort.

A Private Sanctuary

Large windows draw natural light into calming, neutral interiors, while full-length built-in wardrobes with integrated lighting and soft-close doors bring together refined design and well-considered storage.

This refined approach continues in the bathrooms where high-grade porcelain tiling, premium stone countertops with integrated sinks, walk-in showers and bespoke medicine cabinets elevate everyday functionality.

Designed Responsibly

Every Place follows Dubai Green Building Regulations and wellness initiatives, incorporating low-flow sanitaryware, LED lighting, sustainable low-VOC paints and shaded landscaping for a cooler environment. Nature is not just thought of in design, but at the core of everything we do to ensure a lifestyle that encapsulates refinement with long-term responsibility.

Calm along the Crystal Lagoon

An elegant building set along the curve of the lagoon. Terraced residences are drawn toward water and the city on the horizon, where sunlight lingers by design and greenery softens the architecture into a lived-in calm.
